

Darwin

Year 6 Spring 1

Writing:	Could you write a poem about the survival of the fittest?	Could you write a multi-page diary entry from Darwin's perspectives throughout his five-year voyage around the world on the HMS Beagle where he studied of various plants and an led him to formulate his theories?	Could you write a newspaper article set in the 19 th century detailing the findings of the renowned British naturalist and biologist Charles Darwin's findings?
Arts:	Could you create a board game to navigate through Darwin's journey on HMS Beagle? You could answer questions, collect specimens, and encounter challenges along the way...	Could you create a diorama of a habitat for an animal of your creation?	Create a mixed-media poster showing the concept of evolution to visually communicate the idea of adaptation and natural selection?
Other*:	The children are tasked with writing an approximately 100 word passage about themselves and their memories of primary school. This is to be completed by the 1st July. Additionally, if you have any images of the children that could maybe be included in the year book, please share these by the 1 st July too.
