<table>
<tr>
<td><u>Maths</u>

Addition
Subtraction
Shapes

We will continue to develop our addition and subtraction skills, using a mastery approach and exploring concrete, pictorial and abstract methods to represent numbers.

We will learn to recognise and sort 2D and 3D shapes. We will identify faces, edges and vertices and also recognise lines of symmetry.</td>
<td><u>English</u>

Recount writing – Writing based upon real events and personal perspective.

Letter writing – Writing a letter to persuade Pip the owl that the dark is ok.

Letter writing – Writing formal letters to Bracknell mayor persuading them to take action over habitat destruction.</td>
<td><u>Phonics/Spellings/Reading</u>

Daily Spelling with Jungle Club lessons help us to become increasingly confident with applying our phonic knowledge to our writing, looking at the different ways of spelling a sound in different words.

Daily whole class reading lessons help us to practise and develop our reading skills, including fluency and expression as a reader.</td>
<td><u>Personal Development</u>

Economic wellbeing
We will learn about money – where it comes from, the value of different notes and coins, how some sources of money are better than others.
We will consider the difference between wants and needs and why some people may need to prioritise needs over wants.
We will learn about saving money and how this can help us to have the things that we want as well as the things that we need.</td>
<td><u>Religious Education</u>

Judaism is our focus religion this half term.
We will be considering the ways in which the Synagogue is important to Jewish people.

As we approach Christmas, we will also remind ourselves of the Nativity Story and consider why Christmas is important to Christians.</td>
</tr>
<tr>
<td><u>Physical Education</u>

In PE, children will develop their fundamental movement skills and explore invasion games, focusing on teamwork, ball skills and simple tactics.</td>
<td></td>
<td><u>Year 2</u>
<u>Autumn Term 2</u>

<u>2026</u>

After dark</td>
<td></td>
<td><u>Science</u>

We will be learning about animals and their different features. We will also learn about what animals need to survive and what particular animals eat.</td>
</tr>
<tr>
<td><u>Computing</u>

We will be learning about digital photography, including lighting, effects, landscape and portrait and we will be creating our own media.</td>
<td colspan="2"><u>History</u>

In History, children will explore how schools have changed over the last 100 years. They will use photographs and other sources to compare classrooms past and present, identify similarities and differences, and consider whether they would have preferred to attend school in the past.</td>
<td><u>Design and Technology</u>

Children will explore how to make a stable structure by researching materials. They use this knowledge to design a new chair for a bear.</td>
<td><u>Music</u>

We will learn about playing in an orchestra.
In addition to our music lessons, we will be learning and rehearsing lots of songs for our Nativity performance.</td>
