

“What We Eat”

Phonics

We will continue learning letter/sound correspondence from Phase 2 and 3 of Letters and Sounds

The children will use their knowledge of phonics to read simple words and sentences. They will also learn to read ‘tricky’ words which do not follow phonic rules such as ‘he, she, we, all’

Expressive arts and design

The children will be learning to introduce varied storylines into their roleplay and small world play.

We will be learning a range of songs and rhymes.

They will be developing their skills to use a range of tools effectively e.g. scissors, rolling pin

Maths

We will be working on:

Counting rhymes and songs

Counting beyond 30 and recognising numerals beyond 20

Writing numbers to at least 15

Finding one more and one less than a number

Using everyday language to talk about weight, capacity and distance.

Ordering and sequencing familiar events.

CLL/Literacy

We will be reading food themed stories such as ‘Hungry Caterpillar’ and ‘I will never, not ever, eat a tomato’.

Daily phonics sessions will continue, reading longer words and sentences.

The children will learn to use their phonic knowledge to start to write simple sentences.

We will be using puppets to retell stories orally, this helps to develop story telling language which in future will aid story writing.

Understanding of the world:

Learn about similarities and differences between their family’s traditions and the traditions of others.

Select and use technology for particular purposes.

Make observations of animals and plants and explain why some things occur, and talk about changes.

Talk about the features of their own immediate environment and how environments might vary from one another.

Physical Development

Developing fine motor control to develop the muscles in the hand and arm.

We will be learning to hold a pencil correctly and learn the correct sequence of movements to write letters correctly.

Coach Bob will continue our football skills sessions developing the children’s skills – catching, throwing, kicking, dribbling

Our outdoor play will encourage the children to move confidently in a range of ways, safely negotiating space.

Personal, Social and Emotional Development

In small groups children will have a chance to develop their confidence to talk in front of others about things which are familiar to them.

We will develop awareness of social skills through talking about how they and others show feelings and through talking about their own and others’ behaviour.
