

The Good News

Learning to love; love to learn

Our School Vision links to the Good Samaritan—to help and care for each other

Dear Parents and Carers,

The children have really been getting into their new topics this week. Amongst the exciting lessons I have seen, Year Three have created posters and researched facts about Space, Years One and Two have been writing about tigers and cheetahs as part of their wider work on Kenya and Reception have been observing different fruits and vegetables.

Science, in the Juniors, has been particularly impressive as the children used toast and tomato soup to learn about tectonic plates; as the toast got hotter, the pieces drifted apart, demonstrating how the continental plates of the Earth have done the same thing over time causing the map of the world to change significantly. Fascinating!

One of our meerkats has travelled to Barcelona with Charlie from Year Three. Our massive map in the corridor is looking very busy now as destinations visited have all been labelled and also countries which have featured in the News recently. This weekend is Chinese New Year and I was honoured to be given a red envelope with a token penny inside by some very excitable children in Willows. Thank you very much!

Everybody is enjoying our current Growth Mindset challenges – a group of Year Three girls have been so resilient, trying hard every day to solve the Brain Maze puzzle I purchased....and we think they've nearly done it! They just can't remember how!

Well done to all our Year Five and Six children who participated in the Athletics this week. I hear they did extremely well! Our Choir are busy rehearsing for the Young Voices Concert next month and I'm looking forward to attending with them and having a good sing-along.

Have a lovely weekend,

Miss Robinson

Attendance

1st Y4	100%
2nd Y6	98.5%
3rd Cedars	98.3%

ATTEND TODAY
ACHIEVE TOMORROW

You're a star

Dylan W, Luke D, Lily H, Kyle T, Christina T, Skyla-Rae O and Leonora P

Debbie B, Franky R, Eva H, Imogen H, Florence R, Joe V, Dolcie G and Willow K

This week's outstanding learner is: Imogen H

Our Values Trophy goes to Samba N for keeping a classmate safe and being very kind

Our Golden Peg award goes to Y3

Congratulations to all of our winners

Talk Homework

If you could climb a ladder up into the clouds, what would it be like up there?
