

Nurturing Nurses

Maths

As Mathematicians we will be:

- Consolidating our learning about 3d shapes, thinking especially about their properties including the number of edges, faces and vertices they have.
- Beginning to learn about simple fractions and equivalent fractions using real-life examples.

English

We will be practising our Oracy skills in preparation for our Year Group Assembly. Through the story **George and the Dragon** we will be:

- Working on thinking of more interesting sentences and using cohesive devices to write them in an order that makes sense and sounds good.
- Improving our spelling of homophones and Common Exception Words

What you can do at home:

Please continue to read the school readers **daily** and as many of your own books as possible.

Please support your child with homework. This should include reading, spelling, Big Maths and topic or project work.

Sport and PE

PE will be taught on a **TUESDAY** and Year 2 will swim on **FRIDAYS**

In indoor PE we will be:

- Learning to control our body movements.
- Developing our Gymnastic skills.

In outdoor PE we will be:

- Focusing on Locomotion.
- Exploring different ways of moving.

RE

In RE we will think about the question '**Why do symbols and stories play important roles in religions?**'

- We will also talk about what happens in a Mosque and what that shows about Muslim beliefs.
- Describe the prayer beads and how they are used by many Muslims.

Music

In Music, we are going to explore the interrelated dimensions of music through:

- Warm-up games and singing a song
- Playing instruments with the song
- Improvising and composing with the song.

History/Geography

- Identify where the Crimea is using maps and Google Earth.
- Discuss the weather and climate in the Crimea
- Explore the lives and work of Florence Nightingale, Mary Seacole and Edith Cavell.

Science

As Scientists we will:

- Learn about how humans and other animals are born, grow and change, and what we need to survive and be healthy.
- Explore the need for humans to eat a varied diet, to keep themselves clean, and to take regular exercise.
- Encourage making positive choices that contribute to a healthy lifestyle.

Computing

In Computing, we will:

- Experiment with tools on publisher
- We will create a poster to keep the school area clean and tidy

Personal, Social and Health Education

In PSHE we will be:

- learning the importance of hygiene, in particular, when and how to wash hands
- linked to our DT topic this term, explaining the food groups and know that a balance of foods is needed for a healthy and varied diet.

Art and DT

In the context of dips and dippers:

- Explore existing products and give evaluations that contain some detail.
- Explain the food groups and know they have to eat a balance of foods to have a healthy and varied diet.
- Design & make a new product that is appealing to themselves and others.
