

### **Literacy**

We will look at:

Playscripts and how they work. We will begin to look at Shakespeare's work too via Macbeth.

Following this we will be using our skills of persuasion in arguments!

SPAG work to ensure improved spelling (using ChIMPing!), punctuation and grammar skills

### **PSHE – Going for Goals**

Children will be given the opportunity to look at what targets they would set for themselves as well as those assigned to them by their teacher. We will look at how to work effectively towards goals once they have been set as SMART targets.

### **Maths**

Numbers and the number system;

Problem solving and Reasoning Skills;

Beginning to look at algebra in more depth.

On-going revision of previous topics.

### **Science**

Our topics for this half-term will be

Habitats using the Empiribox scheme.

This will also lead on to which creatures live where and food chains across both half-terms with a plethora of great experiments and activities to learn from.

### **ICT**

Making use of the iPads to support our History work including making a Horrible Histories styled News Broadcast in iMovie.

## **Year 6 Spring 1 2021**

### **PE/Games –**

During Lockdown there will be NO outside agencies in school so informal PE lessons in bubbles. Home lessons will feature things such as Joe Wicks.

### **Music**

As a class they will continue to work on the Charanga Scheme of Work designed for Year 6 children.

## **Early Islamic Civilisation - Baghdad**

### **Art/DT**

Children will learn with Mrs Gomes supported by myself whenever possible to work with a range of media and techniques.

### **MFL – French**

We have recently signed up to work on a new Scheme working with a fantastic teacher called Sue Cave.

We will use her resources to make the learning of French pacy and terrific fun along with some of my own rhymes, songs and games!

### **RE – Islam**

We will look at the way followers of a different religion follow their faith. What are the key principles? How is it similar to Christianity? How is it different? How can we understand it better to become more tolerant of the views of others?

### **History – Early Islamic Civilisation**

A fascinating period of History with a wealth of resources to help bring it to life. A brand new topic in the school and one to link to the RE for this half – term.

### **At home...**

There is also a topic based grid with work that you can do over the half-term. In addition, please help your child by encouraging daily reading; regular times tables practise for instant recall and checking through their homework to reinforce grammar/punctuation and good presentation.
